

## Mentoring

### ***Professional & individualized support for public leaders***

This unique resource has been specially designed for Christian (current or aspiring) public office holders, policy experts and educational or church leaders who are acutely aware that the ***exemplary leadership and unparalleled integrity and expertise*** asked of them today cannot be developed and retained alone, but requires the following support structure to assist them:

- ongoing intellectual and faith formation;
- regular individual mentoring;
- ongoing access to and support from an effective global network of like-minded people for inspiration, encouragement and policy-oriented information and cooperation.

#### What do we offer:

This mentoring program – along with the ICLN Academy and other regular events - offers individualized support that allows Christians to grow their public leadership into ***a fundamental way of life, consistently lived and carefully guarded***, thus bringing lasting unity to the spheres of faith, family and public duty. Such *inspiring* Christian leadership is a gift to a world that is in great need of it during this time of ongoing crisis, confusion and uncertainty. It will also lead to become more effective in office.
